PURGATORI[®]

Empire #2

The Conquerer

Story So Far

The demonic vampire goddess Purgatori has at last achieved what she's always sought, having built a massive empire - the Scarlet Imperium - over which to rule. But a group of malcontents, led by her sire, Rath, seeks to see her empire destroyed, and in pursuit of that goal, have unleashed an aeons-old terror...

"PURGATORI" AND

INTRIGUING.
A REALM

I BELIEVE
I WILL BEGIN
MY CONQUESTS

YOU GATHERED THESE ARTIFACTS FROM ACROSS THE GLOBE IN THE HOPES OF KILLING PURGATORI.

AND THOUGH YOUR PATHETIC LITTLE BAND OF REBELS COULD NEVER HAVE HOPED TO SUCCEED, I CAN MAKE EXCELLENT USE OF THEM.

EACH IS THE ULTIMATE INCARNATION OF A VAMPIRE'S WEAKNESS, POTENT ENOUGH TO DESTROY EVEN A BLOOD GODDESS.

THE FIRST, PRIMORDIAL TALISMAN OF THE SUPREME BEING.

AS FOR YOU, RATH, AND THE REST OF YOUR TRIBE, I HAVE NO FURTHER USE FOR YOU... AS YET.

BEGONE!

NOT FAR AWAY...

HAI!

AT LAST AN ENEMY HAS ARISEN POWERFUL ENOUGH TO DEFEAT PURGATORI.

ONCE, I WOULD HAVE RACED BACK TO NEW ALEXANDRIA TO WARN HER --

SHE WILL SUFFER AND DIE AS SHE SO RICHLY DESERVES!

BLOOD LINES

Dear Fiends,

Welcome back to another insane episode of Purgatori: Empire. Out with the dull "nattering" of her subjects in issue #1 and in with the conflict that Purgatori was missing in that first issue. I'd like to read your comments on Purgatori and her Empire. Drop me a line at:

Chaos! Tour 2000

Tour season continues for the Chaos! Comics' gang. We've been to Mega Con in Florida, Toyfair in NY, and Wonder Con in Oakland, CA. We arrive in Pittsburgh for the Pittsburgh Con just as this issue prepares to go to press. Then comes Comic Con International in San Diego, CA which takes place from July 20-23. Finally, we wrap up the tour at Wizard World in Chicago taking place August 4-6.

Note the dates above and come see a spectacle to be reckoned with. At each venue Chaos! Comics has organized special events, giveaways, signings and a healthy dose of the mayhem that we're known for. There will be entertainment to suit everybody's tastes. See you there.

What is it that makes Purgatori's female subjects emulate the Blood Goddess? And what is it about her that makes her male subjects tattoo their skin with her likeness? These and all Purgatori's subjects desire to be as close to Godhood as they can. Maybe, if these displays of utmost loyalty continue, Purgatori will grace you with the tiniest drop of her potent blood to acknowledge your adoration. Are there more of you out there? Send pictures and let the Blood Goddess decide if your worthy to be one in her Empire of thousands. Know, however, that you can only aspire to be what she is. Purgatori is your Queen... look in awe upon her and obey!

THE Impending Chaos! #32

Your monthly News Source on all things Chaos! - May 2000

From the Crypt

What's cookin' this summer from Chaos!?

Well because you demanded it, we're doing a summer of one shots. You see, we did an online poll recently and asked you guys which characters you most wanted to see in a one shot. Your votes? Among the top characters are Chastity, Bedlam and Vandala. So without further ado, that's what you're gonna get.

In July we launch a Vandala one shot written by Len Kaminski and illustrated by David Brewer. In August we launch a Bedlam one shot, again by Kaminski and Brewer and in September we launch a Chastity one shot by Witchblade scribe Christina Z and illustrated by Al Rio.

This is all well and good, but I need your help. You see, most comic shop owners aren't educated about the Chaos! cast of characters. Sure they know Lady Death, Purgatori and Chastity, but Bedlam? On average, they don't have a clue. Personally I don't fault them for that at all. There's so much stuff in the marketplace. But the downside is that since they don't know about it, they're less likely to order it and thus you don't get it.

So what can we do? I request that you pre-order these comics at you local comic store. How do you do that? Simply put in writing "I want X number of copies of Vandala, Bedlam or Chastity comics. When it's in writing, the shop owner has a way of totaling up the number of copies folks want.

I'd appreciate if you'd do that for us. We want to tell more stories about all kinds of Chaos! characters, but history tells us that if the retailer doesn't know about them (like Dead King, The Omen and Cremator for example), they don't order it. We are not a "Wizard-Friendly" company. The only buzz we get is from you guys, so tell 'em what you want!

I'd like to thank you in advance for doing this. If you make your voice heard, we can expand the Chaos! Cosmos and we'll all have a fun, dark time doing it.

Sworn to dark expansion.

Brian Pulido

The Fiends Speak - Vandala Appears!

In our latest online poll which put it to Chaos! Fiends, the overwhelming choice for a character most deserving of her own miniseries was none other than Lady Death's Asgardian sister, Vandala! We're good to our word, Fiends - the Vandala one-shot you demanded will ship in July!

Since her debut in Lady Death: The Crucible, Vandala has captured the hearts and minds of Chaos! readers. Now Vandala, last of the Norse Goddesses, finds herself in a new place, a new Chaos! Cosmos where none of the rules or relationships are the same. Will her upbringing at the side of Odin, Lord of the Norse Gods, be enough to see her through?

"Vandala is a rare character in the Chaos! Cosmos," Brian says, "She's pure of heart and motivated to do the right thing. This adventure will test her limits and pit her against her greatest challenge - alone. As we showed with last year's Armageddon limited series and Lady Death: Dark Millennium, all bets are off in this new, Chaos! Cosmos, where none of the old rules apply.

The one-shot is written by Len (Lady Death: Dark Millennium) Kaminski, with art by David (Lady Demon) Brewer. Miss it not!

ICP Pendulum #4 - The Clownz Strike Back!

In ICP #3, the police's Stress Team launched a sneak attack on the clownz. You only get to do that once. In issue #4, the Stress Team's new mission goal is simple - get out alive.

Written by Jesse Leon McCann, with art by Jerry Beck, the fourth issue of ICP: The Pendulum is jammed with car crashing, head bashing, and throat slashing as the clownz show why they're the toughest act in rap today! All of this plus the return of Father Jesus and The Amazing Jeckel Brothers make ICP: The Pendulum #4 a can't miss event!

And don't forget, each issue of the bi-monthly ICP: The Pendulum series comes polybagged with an exclusive CD single that you can't find anywhere else! When the 12-issue series is finished, fans will have 12 CDs, making up ICP's newest album, The Pendulum! It's an album you can only get through the Chaos! Comics' ICP: The Pendulum series, so grab it now!

These Clowns Are Coming Bi-Monthly!

Since Insane Clown Posse: The Pendulum #1 kicked off last fall, the fan response has been a loud and unanimous - "MORE!" We're not about to stand in the way of that, so we're proud to announce that Insane Clown Posse, the landmark comic series with an exclusive CD single polybagged in each issue, is now officially bi-monthly.

If you haven't picked up any ICP books, what the hell are you waiting for? Written by Jesse Leon (Smiley: The Psychotic Button) McCann, with art by Jerry Beck, The Pendulum takes the Clownz, Violent J and Shaggy 2 Dope and thrusts them headlong into the mythology their albums have only hinted at - a world full of crazy conspiracies, supernatural beings of insane power, as well as two wild and crazy killer clownz who see violence and mayhem as a means

of self expression! Fiends who are sensing that the clownz are brothers in spirit to our own Evil Ernie are right - these guys are the real deal!

And remember Fiends, each issue of The Pendulum comes with an exclusive CD single by the Clownz that is not available anywhere else. When the entire 12-issue run of The Pendulum is complete, ICP fans will have all the songs from the Clownz' latest album, The Pendulum! It's an original ICP album filled with all-new songs you can only get through this comic series!

Digger Speaks!

We caught up with Digger, the head honcho of Art Asylum, the collective of artists and creators who came up with the designs for the first assortment of Eternal's Dark Alliance toys. Digger's just put down his sculpting tools so the figures can be shipped off to the factory, so we asked him who he'd like to sculpt next.

"No question about it," Digger said. "I want to see Oblivia in it first off. To me, she's the hippest, most culturally kickin' new character that has come into the Chaos! Cosmos. You've got this hot Latina chick who's a gangster with cool powers and has the fashion thing going on. Man, put that together with a Jennifer Lopez-type look, and that's really street and urban oriented, which is what we're about here. She'd be one hot figure."

Infinity Grows

While Counter-Strike may have just kicked off, Infinity Comics is already gearing up for a full plate of mini-series throughout the rest of 2000. Following on the heels of

Counter-Strike will be a yet-unnamed project about a female high school senior who's a student by day and international spy by night, written by Marc (Purgatori) Andreyko.

Following that, look for Witch Hunter written by Christina (Witchblade) Z. To say this story's gonna rock would be an understatement Fiends. Watch for it and more announcements from Infinity Comics coming soon!

Gory Bits . . .

look for more mini-swords coming from Eternal later this year - these are the baddest little reproductions around! . . . is more wrestling in the future of Chaos? Tune in next month to find out . . . what's the deal with more Chaos! characters getting their own mini-series and one-shots? Hey - the first guy to walk the new cosmos will finally get his due . . . And of course Fiends - remember to check www.chaoscomics.com for updates on Brian's new project, hot preview art, and all the dark, twisted Chaos! rumors you can shake a stick at!
